

Awaken

Open my eyes I'm broken
I want to see the light
Searching for You I'm reaching
Bring me through the night
Awaken me

Take my life for Your Glory
Take my hands as your own
Give me a reason to breathe

Open my ears to hear You
When You speak to me
Open my heart to feel You
I want to believe
Awaken me

Take my life for Your Glory
Take my hands as your own
Take my soul wash it clean
Take my heart as Your own
Give me a reason to breathe
Give me a reason to breathe

Awaken
Awaken me
Awaken

Take my life for Your Glory
Take my hands as your own
Take my soul wash it clean
Take my heart as Your own
Give me a reason to breathe
Give me a reason to breathe
