

## **Believe**

So long ago on a dusty road  
To Calvary You go  
To save my soul You paid it all  
And shed Your blood upon that cross

I don't deserve this remedy  
Your amazing grace has set me free

Jesus, Jesus  
I believe, I believe  
Jesus, Jesus  
I believe, I believe in You

In this world in this life  
There's so much hurt and so much pain  
Where people try to bring you down,  
Take Your worth, and steal Your crown

Your gracious love has rescued me  
Born again and now I'm free

Jesus, Jesus  
I believe, I believe  
Jesus, Jesus  
I believe, I believe in You

I don't deserve this remedy  
Your amazing grace has set me free

Jesus, Jesus  
I believe, I believe  
Jesus, Jesus  
I believe, I believe

Jesus, Jesus  
I believe, I believe  
Jesus, Jesus  
I believe, I believe in You  
You saved my soul
