

## **More Than a Man**

I could never walk a mile in Your shoes  
You gave so much for us  
To give up a life You know You had to lose  
You had to prove everything

He was more than just a man  
More than we understand  
He came to earth to save our souls  
I'm never letting go, never letting go

I take a step this time  
To walk with You and talk with Your Son  
Your mercy forgave me  
For all I've done

He was more than just a man  
More than we understand  
He came to earth to save our souls  
I'm never letting go, never letting go

Father  
Complete me completely  
My faith in You won't end  
My God and my Father  
My Hope, my love, my friend

### **Bridge x 4**

I want to walk with You  
I want to be by Your side  
Forever worship You  
Forever in my life

He was more than just a man  
More than just a man  
He was more than just a man  
And I'm never letting go  
I'm never letting go
